The **completed form and abstract** should be emailed to Malgorzata.Bakowska@zut.edu.pl until 5 September 2021.

On the occasion of the 20th Anniversary of the Acta Scientiarum Polonorum Zootechnica, the editorial board prepares a special issue devoted completely to review articles on the conference topics.

The manuscripts should be submitted on-line via an electronic submission system available at

<https://asp.zut.edu.pl/editoroffice/login.php> by 5 September 2021. The manuscripts will be pre-evaluated by the editorial board and sent for review after a positive decision. The condition for manuscript publication is a positive review and the participation of the author or authors in the conference (registration fee paid by the author or at least two authors for multi-authored manuscripts). The special issue will be published on-line only as a PDF file on the journal's

website. The number of points (according to the Polish Ministry of Education and Science) for publication in the special issue is 20.

It is also possible to publish the full manuscript in:

**Acta Scientiarum Polonorum Zootechnica
Polish Ministry of Education and Science (2019): 20 points**

<https://asp.zut.edu.pl/>

*The authors of the five best abstracts presented at the Young Scientist Session will have the possibility to publish their results free-of-charge as a scientific article in Acta Scientiarum Polonorum Zootechnica.
