

# 13<sup>th</sup> Biophysics Symposium & NanoTemper Technologies Workshop – Lublin 2019

**13th- 15th June 2019, Lublin, Poland**

## Thursday, 13<sup>th</sup> June

- 08:00 Registration
- 09:00 Opening remarks and introduction to NanoTemper Technologies solutions  
*Dr Piotr Tarnowski, NanoTemper Technologies*
- 09:30 **Prof. Andrey Konevega**, Head of Molecular and Radiation Biophysics Division  
Petersburg Nuclear Physics Institute, National Research Centre "Kurchatov Institute"
- 10:00 **Prof. Janko Kos**, The Chair of Pharmaceutical Biology, Faculty of Pharmacy,  
University of Ljubljana
- 10:30 Coffee Break
- 11:00 **Dr Przemysław Grela**, Laboratory of Molecular Biology, Maria Skłodowska-Curie  
University
- 11:30 MicroScale Thermophoresis assay development and data analysis  
*Dr Jakub Nowak/ Małgorzata Poczopko, NanoTemper Technologies*
- 12:00 Coffee Break
- 12:30 Discussion of user's samples
- 13:00 Lunch break
- 14:00 Experimental work
- 18:30 Dinner & open bar

**Friday, 14<sup>th</sup> June**

- 09:00 High precision protein stability assessment by nanoDSF  
*Dr Piotr Tarnowski, NanoTemper Technologies*
- 09:30 **Dr Jerzy Pieczykolan**, Head of Preclinical Development Department, Celon Pharma S.A.
- 10:00 Quick and precise protein quality assessment by Tycho Technology  
*Paweł Kania, NanoTemper Technologies*
- 10:30 Coffee break
- 11:00 **Dr hab. Daniel Krowarsch**, Department of Protein Biotechnology, Faculty of Biotechnology, University of Wrocław
- 11:30 pm Lunch break
- 1:00 pm Experimental work
- 4:00 pm MST Symposium & Workshop End

**Saturday, 15<sup>th</sup> June**

- 09:00 Retreat to Muzeum Wsi Lubelskiej (<https://skansen.lublin.pl/pl/> )
- 12:00 The end

## Contact

**NanoTemper Technologies sp. z o.o.**

Bobrzynskiego 14

30-348 Krakow
