

Resolution no 91

**Adopted by the Senate of the West-Pomeranian University of Technology
in Szczecin (ZUT)**

on June 28th, 2019

**regarding determination of the numerical quantities S_n and P_n for students of both onsite
and extramural courses, as well as conditions for registering for the last semester of studies**

With reference to the paragraph no. 29 of the act no. 2 regarding the Set of Rules for studying at ZUT, which is an appendix to the resolution no. 31 of the Senate passed on April 26th, 2019, we lay down the following laws:

§ 1.

The Senate of ZUT determines the numerical quantities S_n and P_n for students of both onsite and extramural courses, as well as conditions for registering for the last semester of studies in all majors available at University, which are enlisted in the appendix to this resolution.

§ 2.

This resolution comes into effect as of October 1st, 2019.

Chairman of the Senate
Rector

Professor Jacek Wróbel, PhD, DSc

Numerical Quantities S_n and P_n for students of both onsite and extramural courses, as well as conditions for registering for the last semester of studies

S_n – overall ECTS points collected by a student in a given semester (n)

P_n – overall ECTS points collected by a student from the very first semester until a given semester inclusive (n)

$Lnom_n$ – nominal ECTS points per semester (n) extramural courses

$Pnom_n$ – nominal ECTS points to be collected by a student from the very first semester until a given semester inclusive (n) extramural courses

1. Onsite courses S1

Semester n (accounted for)	Semester registration	8 semesters (240 ECTS) S_n	8 semesters (240 ECTS) P_n	7 semesters (210 ECTS) S_n	7 semesters (210 ECTS) P_n	6 semesters (180 ECTS) S_n	6 semesters (180 ECTS) P_n
	1	recruitment	recruitment	recruitment	recruitment	recruitment	recruitment
